From the President

Hi, everyone!

The November presenter will be David Haller from Air Methods. We've all seen the aircraft in the hangar at Oracle. Now, we will have him to talk about what they do and answer any questions we may have.

For those that may not read the meeting minutes (but you should!), the chapter Christmas Party will be held in January at a local restaurant. It seems that will work out better for most as there are many holiday activities in the month of December.

Last, November is election month. We have a full board for next year. It should be an exciting year!

See you Monday, November 12, 7:00 PM at Oracle!

Chris Halfman

Young Eagles

Hi YE volunteers,

I did receive a few notes back that we should try to finish up the Boy Scout's merit badge and Young Eagle flight on

Saturday, 11/17/2018. It'll only be 12-14 kids, so not too big of an evolution, but an important one for sure. We'll fly out of MLE, but the time is still in flux as the Huskers haven't published their game time yet...and we'll try our best to deconflict the times.

So for now, please pencil in a small YE event on Sat 11/17/18 and I'll send out the specifics as soon as I know them.

Fly safe!

-Jim

EAA Chapter 80

Meeting Minutes

October 2018

The chapter meeting was held on October 8th at Millard Airport, Oracle Aviation. The meeting was called to order at 7 PM by President Chris Halfman.

One guest was introduced. Scott Friday has been working on his private license with Josh Tocko and came to check out our organization.

Meeting Minutes: The September 2018 meeting minutes were approved as published.

Treasurer's Report: Chapter receipts totaled \$325 (mostly from dues). Chapter expenses totaled \$450.52 (IRS 501(c)3, picnic & refreshments). Ending balance \$15,897.74. The October

treasurer's report was approved as published.

Membership: Bob Condrey reported 115 members (92 paid their 2018 dues). The members who have not paid their 2018 dues will be given another month and then Bob will remove them from our membership roster. Bob has a list of members who have not provided their EAA National membership number and he would like these members to provide this information.

Tech Counselors: Mike Howard was not present, no update.

Young Eagles: The last YE rally for this year is at Millard Airport this Saturday, flights starting at 9am.

Tools: Jerry Ronk was not present. Bruce Mundie has the weigh scales.

Builder Reports:

1. Bruce Mundie and Bob Condrey had their aircraft successfully inspected by the DAR. The DAR cost was \$600 for each of them, plus the DAR travel expenses of \$250. The fly off test area provided was larger than either of them expected.

2. Mark Miller reported that he has received his rebuilt engine back and will be installing it in the Zenith. He also has a new landing gear and is repairing a dent.

Builders Meeting: None scheduled.

Fly-outs: Nothing to report.

Social Coordinator: Bruce and Sue Mundie looked into numerous places to hold the Holiday party. Proposed dates were January 12th or 19th. The membership voted to hold the party on January 19th at Anthony's Steak House. The Prime Rib buffet is expected to cost approximately \$35/person, and it was approved by the membership to subsidize \$10 of that cost. A notice and sign up will be provided in the coming months, as well as a determination of whether attendees pay in advance or at the door.

Old Business:

1) 501c(3) application. Bruce Mundie reported that we were turned down due to an incorrect payment amount. A new check for the proper amount will be sent out soon.

2) Scholarships. Nothing to report.
